

GALAXY® hot chocolate from MARS Drinks

Silky smooth indulgence in a cup.

Silky smooth, delicious hot chocolate made with the finest ingredients, **including real GALAXY chocolate.** Indulge yourself in an unforgettable GALAXY chocolate experience. A great treat at 68 calories per serving.

Consumers demand indulgent, branded, premium hot chocolate. An indulgent afternoon treat or a drink of choice for those who do not like coffee and tea.

GALAXY is the fastest growing MARS, Inc. chocolate brand in the world.

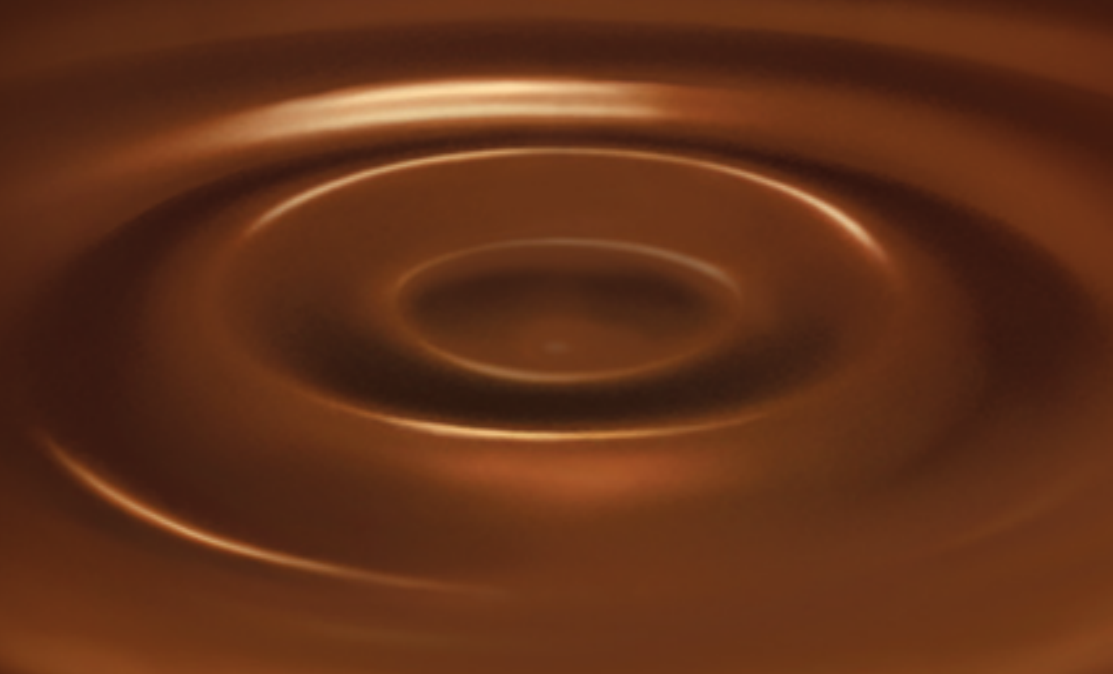

No drinks range is complete without it.

The word "Galaxy" is written in a dark brown, glossy, cursive script that resembles melted chocolate. The letters are thick and have a slight sheen, with a registered trademark symbol (®) at the end of the word.

Galaxy[®]

hot chocolate

A close-up, top-down view of a dark brown liquid, likely hot chocolate, with several concentric ripples emanating from a central point. The lighting is warm, creating a soft glow around the edges of the ripples.

*silky, smooth & indulgent
made with real GALAXY chocolate*
