Drink. Think. Link.

The office is evolving, In today's world, a successful business demands high levels of engagement and innovation.

The changing workforce, advances in technology and the need for innovation are creating environments that go beyond the traditional office space.

The office drinks brewer is no longer just a coffee maker but a place to take a break, **think, collaborate, exchange ideas** and link.

MARS DRINKS OFFICE CONNECTIONS supports this through a unique hot drinks system that brings offices together to:

Drink hot beverages of their choice

Think great business thoughts

Link with co-workers to let ideas flow

Drink.

True drinks variety & choice

The MARS DRINKS OFFICE CONNECTIONS System is designed to meet **individual demands**, enabling people to share their perfect cup and great ideas. Our full range of **quality drinks** includes freshly roasted and ground coffee, real-leaf and herbal teas and premium hot chocolate along with **speciality drinks**, such as frothy cappuccinos, lattes and mochas.

ALTERRA COFFEE ROASTERS™ coffees are expertly sourced from some of the world's most renowned coffee growing regions and then roasted with care to uncover the beans' best characteristics.

The speciality roast and origin coffees are divided into **four roast and taste combinations** to make everybody happy – plus flavoured and decaf.

THE BRIGHT TEA CO.™ teas are created from carefully hand-picked tea leaves. With great respect for the tradition of tea, our teaologists take great care to blend each tea with precision to give a perfectly balanced, full-flavoured cup that's never bitter, never bland.

Three varieties of teas are offered to suit different tastes, needs and occasions: black, green and herbal infusions.

Silky, smooth & indulgent made with real GALAXY chocolate.

Create a range of speciality drink combinations including fantastic cappuccinos, lattes, mochas and espresso style drinks with our unique technology.

Convenience, reliability and efficiency in each brewer

As office experts, we have designed the FLAVIA® CREATION 400™ brewer to be convenient, easy to use and maintain.

With over a year and a half between service calls, our brewers are designed to provide a **hassle-free experience** - making the FLAVIA CREATION 400 an industry leader in reliability.

The quick and efficient FLAVIA CREATION 400 has the capacity to brew one drink after the next. Promising the ultimate in hygiene and cleanliness, drinks are brewed with no clean up and no mess.

Plus, they're designed with sustainability in mind, using less energy than the average drinks system.

FLAVIA BREWS BETTER

Our innovative single-serve brewing process:

- STEP **1** **SOURCE:** We start with the highest quality ingredients – freshly roasted and ground coffee, real-leaf and herbal teas and premium hot chocolate.
- STEP **2** **SEAL:** We pack our carefully sourced ingredients into the unique FLAVIA Freshpack locking in their freshness and flavour.
- STEP **3** **SERVE:** We specially design the Freshpack to work with the FLAVIA brewer. Together they create an optimal brewing cycle within every pack. Every drink is brewed directly from pack to cup with no taste contamination, so your tea will never taste like the coffee that was made before it and vice versa.
